# STAY AT HOME ORDER

On April 4, 2020, as a result of the worldwide pandemic and evidence of rapidly increasing transmissions of COVID-19, the County Executive Officer and County Public Health Officer issued a stay-at-home order, effective until April 30th, for everyone except those needed to maintain continuity of operations of the federal critical infrastructure sectors.

For a list of businesses that are deemed essential, go to <https://www.cisa.gov/publication/guidance-essential-critical-infrastructure-workforce>

The County's Order is under the authority of California Health and Safety Code sections 101030, 101040, 101085, and 120175, Title 17 California Code of Regulations section 2501, Article XI of the California Constitution; California Government Code sections 8610, 8630, 8634 and 8665; and Riverside County Code sections 442 and 533.6.

## THE ORDER STATES:

Stay at home unless you are involved in the "critical infrastructure" sectors.

Avoid gatherings of any number of people, outside of family members living in the same home.

Wear a face mask or covering when leaving home.

## RIVERSIDE COUNTY SHERIFF'S DEPARTMENT IS ASKING FOR YOUR VOLUNTARY COMPLIANCE.

We are committed to the safety of the communities we serve. Responding to calls of non-compliance with this order will leave deputies unavailable to respond to legitimate emergencies. Your voluntary compliance will significantly help to assure the most effective use of our resources and the protection of our community members.

## TIPS TO HELP PREVENT THE SPREAD OF COVID-19

Maintain social distancing. 6 feet apart!

Refrain from touching your face - even when wearing gloves.

Don't re-use disposable gloves.

Properly dispose of your gloves in a trash can.

Frequent and thorough hand washing is your best defense against spreading germs.

Wear a mask or face covering when leaving your house. Our deputies are wearing them too! If you don't have a mask, get creative! Bandanas, scarves and old t-shirts can be used to create a face covering.
