

ORDER OF THE HEALTH OFFICER OF THE COUNTY OF RIVERSIDE
CANCELLING TEMECULA VALLEY BALLOON AND WINE FESTIVAL ON DATES
CURRENTLY SCHEDULED

DATE OF ORDER: JUNE 12, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a crime punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295; County Ordinances 533 and 556.)

UNDER THE AUTHORITY OF CALIFORNIA HEALTH AND SAFETY CODE SECTIONS 101040, 101085, AND 120175, TITLE 17 CALIFORNIA CODE OF REGULATIONS SECTION 2501, AND RIVERSIDE COUNTY CODE SECTION 533.6, THE HEALTH OFFICER OF THE COUNTY OF RIVERSIDE ("HEALTH OFFICER") ORDERS:

1. The Temecula Valley Balloon and Wine Festival is hereby **cancelled** for the calendar year 2020.
2. This Order is issued as a result of the worldwide epidemic of COVID-19 disease, also known as "novel coronavirus," which has infected at least 7,440,350 individuals worldwide in 188 countries and is implicated in over 418,392 worldwide deaths as of the date of this Order. Riverside County has 9,911 confirmed cases and 372 deaths.
3. This Order is issued based on concerns of a fall resurgence of COVID-19 both within the County of Riverside and worldwide, scientific evidence regarding the most effective approach to slow transmission of communicable diseases generally and COVID-19 specifically, and best practices as currently known and available to protect the public from the risk of spread of or exposure to COVID-19.
4. This Order recognizes that the Temecula Valley Balloon and Wine Festival is a gathering of an international scope, attracting tens of thousands of attendees from many countries, including several disproportionately afflicted by the worldwide COVID-19 epidemic.
5. This Order is intended to reduce the likelihood of exposure to COVID-19, thereby slowing the spread of COVID-19 in communities worldwide. If COVID-19 were detected at this festival, the scope and number of attendees and the nature of the venue would make it infeasible, if not impossible, to track those who may be placed at risk.
6. This Order is issued in accordance with, and incorporates by reference, the: March 4, 2020 Proclamation of a State Emergency issued by Governor Gavin Newsom; the March 8, 2020 Declaration of Local Health Emergency based on an imminent and proximate threat to public health from the introduction of novel COVID-19 in Riverside County; the March 10, 2020 Resolution of the Board of Supervisors of the County of Riverside proclaiming the existence of a Local Emergency in the County of Riverside regarding COVID-19; and the March 10, 2020 Resolution of the Board of Supervisors of the County of Riverside ratifying and extending the Declaration of Local Health Emergency due to COVID-19; and the Governor's Stay-at-Home Order of March 19, 2020.
7. This Order is made in accordance with all applicable State and Federal laws, including but not limited to: Health and Safety Code sections 101030, et seq.; Health and Safety Code sections 120100, et seq.; and Title 17 of the California Code of Regulations section 2501.

8. To the extent necessary, pursuant to Government Code sections 26602 and 41601 and Health and Safety Code section 101029, the Health Officer requests that the Sheriff and all Chiefs of Police in the County ensure compliance with and enforcement of this Order.
9. Copies of this Order shall promptly be: (1) made available at the County of Riverside Health Administration office located at 4065 County Circle Drive, Riverside, CA 92503; (2) posted on the County of Riverside Public Health Department's website (rivcoph.org); and (3) provided to any member of the public requesting a copy of this Order.
