Services may be delivered by an individual provider, or a team of providers, who is working under the direction of a licensed practitioner operating within their scope of practice. Only licensed, waivered, or registered mental health providers and licensed substance use disorder services providers are listed on the Plan's provider directory.

Please see Specialties codes located on page 10

The directory is updated monthly and no later than 30 calendar days after the Medi-Cal behavioral health delivery system receives updated provider information.
