VISION

"Our vision is to value self-determination and independence of the older adult and culturally diverse members."

MISSION STATEMENT

"To enable older adult members, who are experiencing a behavioral health condition, to access the services that will promote empowerment, recovery and hope."

GOALS

"Our goals are to reduce discrimination and disparities, increase utilization of services through education, awareness and family involvement, and to support the mission of RUHS to provide high quality care to residents of Riverside County."

OBJECTIVES

"Older Adult Services seeks to assist members in their recovery by maintaining a physically and emotionally healthy lifestyle so they are able to remain in their home or community-based housing for as long as possible. Services are provided by a multi-disciplinary staff with specialized training in evaluating and addressing both behavioral health conditions and issues of aging."

"Empowering lives to promote wellness and recovery"
