

Parent / Caregiver Education

PPPSW offers workshops for parents and caregivers to help make conversations about sexual and reproductive health a little easier.

These free classes help parents/caregivers gain a greater understanding of why parent/caregiver-child relationships are important! You'll discover the benefits of discussing sexual and reproductive health topics with youth, including topics and suggestions for starting and keeping open conversations.

Topics Include 'Talking with your Youth About':

- ✓ **Let's Talk Puberty & Periods!**
- ✓ **Birth Control & STIs**

- ✓ **Healthy Relationships**
- ✓ **Consent & Boundaries**
- ✓ **Sexual Health**

**Classes offered in English & Spanish, in-person or virtually*
