Beaumont vaccine clinic to close Friday for one day due to predicted severe weather

Those with appointments will be rescheduled to Monday, Feb. 1

Health officials are closing the vaccine clinic at San Gorgonio Middle School in Beaumont Friday (Jan. 29) due to the severe weather that is predicted for the region.

The other clinics planned for Friday remain scheduled, but officials will be monitoring the situation at each location to ensure the public's safety.

Those with appointments Friday at the Beaumont location will be rescheduled to Monday at the same time. They will be contacted by email to confirm the new appointment.
