

SUICIDE PREVENTION COALITION

# QUARTERLY MEETING

## Carrying the Unspoken: Supporting Immigrants Through Invisible Grief and Silent Risk

### Liliana Baylon

*MBA, LMFT-S, RPT-S, EMDRIA-Approved Consultant, and  
ICEEFT-Certified Supervisor*

Liliana specializes in trauma, migration, and multicultural mental health through an attachment and nervous-system lens. As a global leader in culturally sensitive therapy, she offers supervision, consultation, and training designed to help clinicians effectively incorporate EMDR, EFT, and Play Therapy while maintaining cultural humility and systemic awareness. Her work empowers professionals to support migrant and multilingual families with compassion, precision, and evidence-based care.
