WHO WE ARE

- Level 1 Trauma Center
- Level 2 Pediatric Trauma Center
- Only Pediatric Intensive Care Unit in Riverside County
- Largest teaching hospital in Riverside County

RUHS – Medical Center is a leading academic hospital and respected research complex founded in 1893. Our certified, nationally recognized programs and facilities play a critical role in promoting the health and healing of Riverside County's 2.5 million residents. RUHS is Riverside County's primary and essential public safety-net provider.

RUHS trains more than 3,100 medical residents, nursing students and allied health professionals every year in its own residency programs and in affiliation with several universities and community colleges.

RUHS's research arm, the Comparative Effectiveness & Clinical Outcomes Research Center (CECORC), participates in some 2,000 research studies — including clinical trials — every year.
