

## Instructions to Complete the Request for Birth Certificate

## 1. Indicate whether you are requesting a *Certified Copy* or a *Certified Informational Copy*.

Only individuals who are authorized by Health and Safety Code §103526 can obtain a Certified Copy of a birth record. Section C on page 1 of the application identifies the individuals who are authorized to receive a Certified Copy. All others may receive a Certified Informational Copy that will be marked "Informational, Not a Valid Document to Establish Identity."

Both documents are certified reproductions of the original document on file with our office. With the exception of the legend, redaction of signatures and Social Security Number, the documents contain the same information.

## 2. Section A

In this section, please provide the information about the child. If the information furnished is incomplete or inaccurate, we may not be able to locate the record.

The "Birth" name required on Vital Records is the name given at birth, or a name received through adoption, courtorder name change, or Naturalization. AKAs (Also Known As) and assumed names cannot be entered as the legal "Birth" name.

## 3. Section B

In this section, please provide your information, the number of copies requested and the amount enclosed. The fee is \$32.00 for each copy requested.

Make the check or money order payable to: County of Riverside

\* No third-party checks or money orders are accepted

Checks must have pre-printed name and address of checking account owner \*

State law requires a charge for record searches. If no record is found, pursuant to Health and Safety Code §103650, the fee for one certificate will be retained for searching and a Certificate of No Record will be issued. If requesting multiple copies on the application, the balance will be refunded to the applicant by our Fiscal Department after the search fee is retained.
